Always connected.

Earphones with Bluetooth® 5.1 wireless connectivity and True Wireless Stereo technology to connect to your favourite songs while training or running. With built-in microphone and stereo calls to talk comfortably without worrying about noise.

Give it everything in your workouts.

IP65-certified wireless sports earphones with guaranteed high protection from sweat and splashes. Train without any worries, achieving maximum performance to the rhythm of your favourite music. Let nothing stop you!

More hours of music and sports.

Sport 4 True Wireless sports earphones keep up with you for more hours of music and workouts. Their 30 hours of battery life mean you will forget all about the battery: 5 hours every time you charge the earphones, plus 25 additional hours with the charging case. Focus on achieving your goals!

Train at your own pace with total freedom.

Auriculares deportivos con sistema de sujeción Secure-Fit y driver de 14 mm que proporciona una fijación perfecta durante todas tus sesiones en el gym, o al aire libre. Entrenas donde entrenas, vibrarás con tu música preferida gracias al Deep Bass, con graves profundos y contundentes.
