A close-up, low-angle shot of a woman with dark hair and light brown eyes, looking upwards and to the left. She is wearing a light pink, textured knit sweater. Her right hand is raised, with fingers slightly curled, near her right ear. She is wearing white, oval-shaped true wireless earbuds in both ears. The background is a solid, muted brown color.

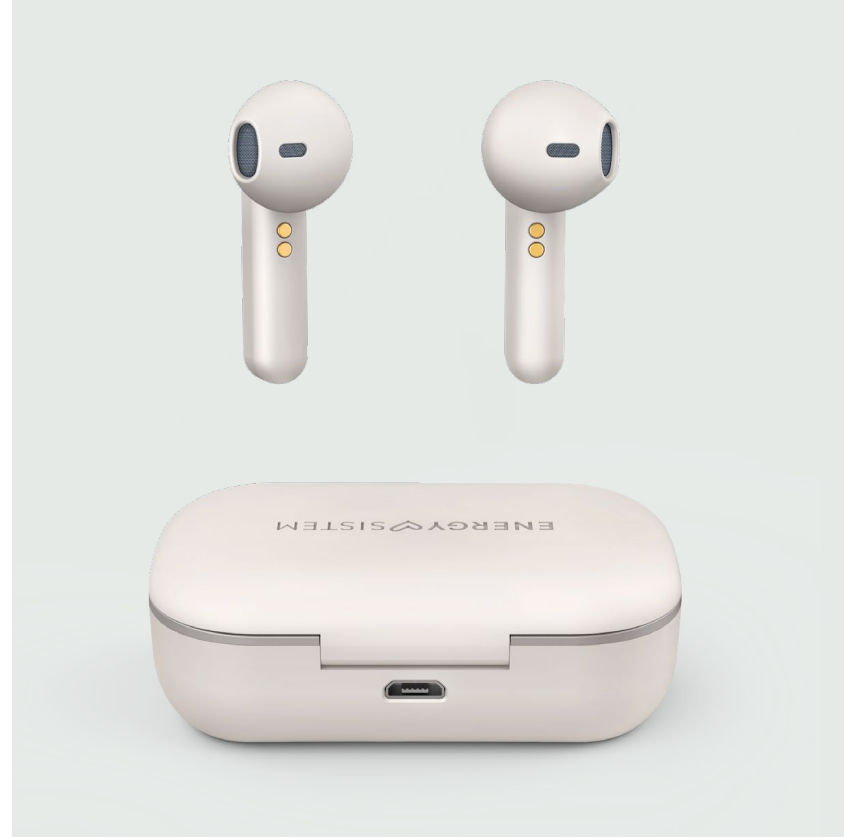

Listen to music in style

Neither cables nor tangles will get in the way. The new Style 3 TWS earphones incorporate True Wireless technology for a completely wireless experience. They're the perfect accessory to match your style.

You'll never run out of battery again

Enjoy up to 4 hours of music non-stop thanks to the earphones' built-in battery. Put the earbuds back in the charging case when you're not using them. You can charge the earphones' battery up to 4 times on a single case charge. Up to 20 hours of battery life at your disposal.

Auto-pairing on

With the Easy Connect feature, the earphones sync automatically. An easy and simple way to listen to music.

Leave the phone in your pocket

Thanks to the microphone and Bluetooth 5.0 connectivity, you can answer calls, enjoy stereo sound and control music playback from the earphones. All this without taking your phone out of your pocket.
