Earphones BT Urban 2

**Magnetic control feature.
Strong music attraction.**

Bluetooth earphones with Magnetic switch control, 3 multifunction buttons to adjust the volume and control playback, built-in microphone and 9 hours of battery life. Attach the earphones to pause the music and pull them apart to resume playback.

Available in:

No cables in the way

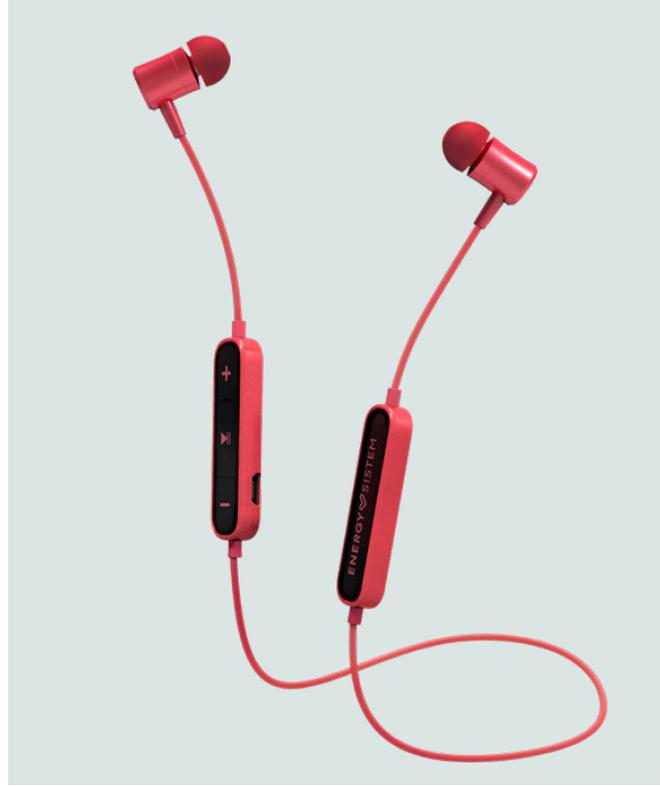

Going for a walk, shopping or on your way home. Pair the earphones with your smartphone using Bluetooth 5.0 technology. Enjoy your music, no matter what you do.

Music all day long

The long-life battery offers up to 9 hours of music non-stop to listen to your songs all day long.

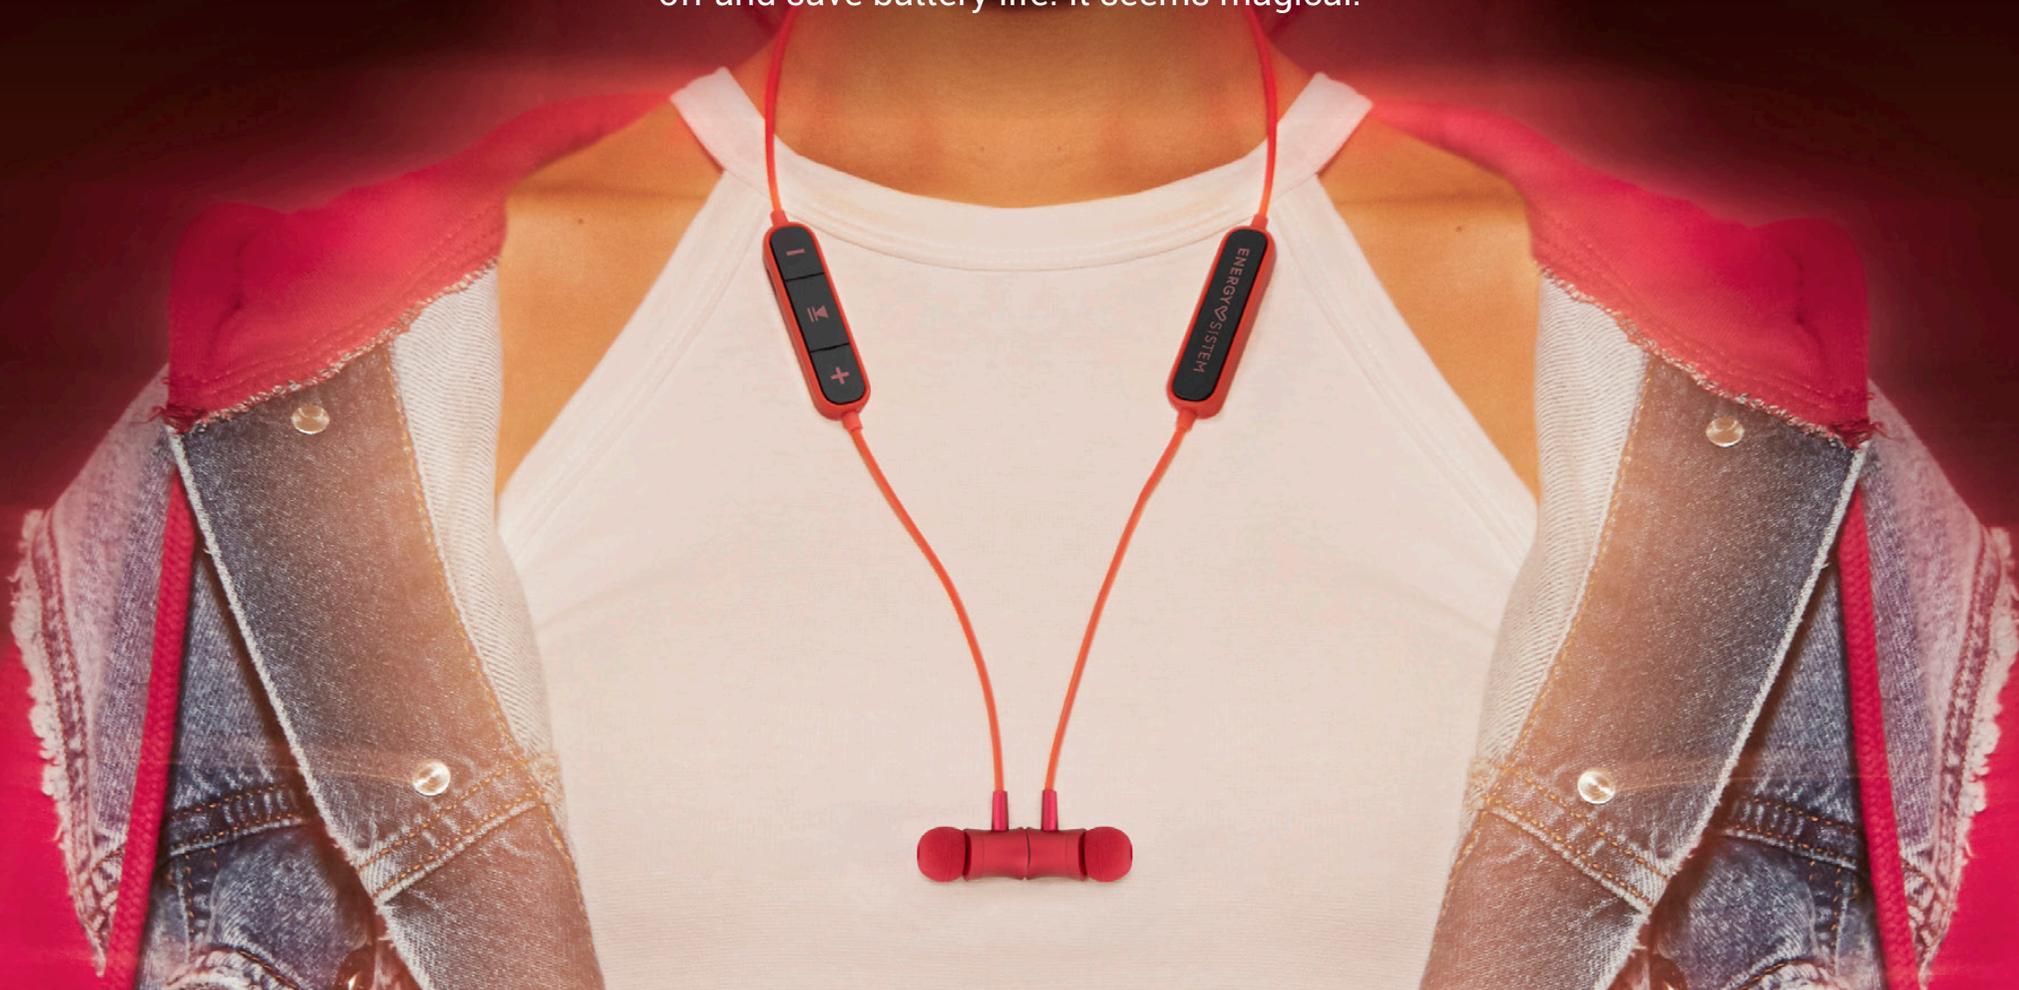

All the features at your fingertips

All you can think of at the touch of 3 buttons. No need to take your smartphone out of your pocket. Use the multifunction button to control music playback and answer your calls. The other two buttons are for turning the volume up or down and skipping tracks.

Feel the magnetism

Magnetic Switch featuring two magnets to pause music when attaching the earbuds. Pull them apart to resume playback. Keep the earphones together for a few minutes to turn them off and save battery life. It seems magical!
