Tune in to what you like

This portable radio features a built-in FM antenna to achieve the best radio reception and tune in to 50 radio stations. It also has a digital screen to fine-tune your search so you always know which station you're listening to.

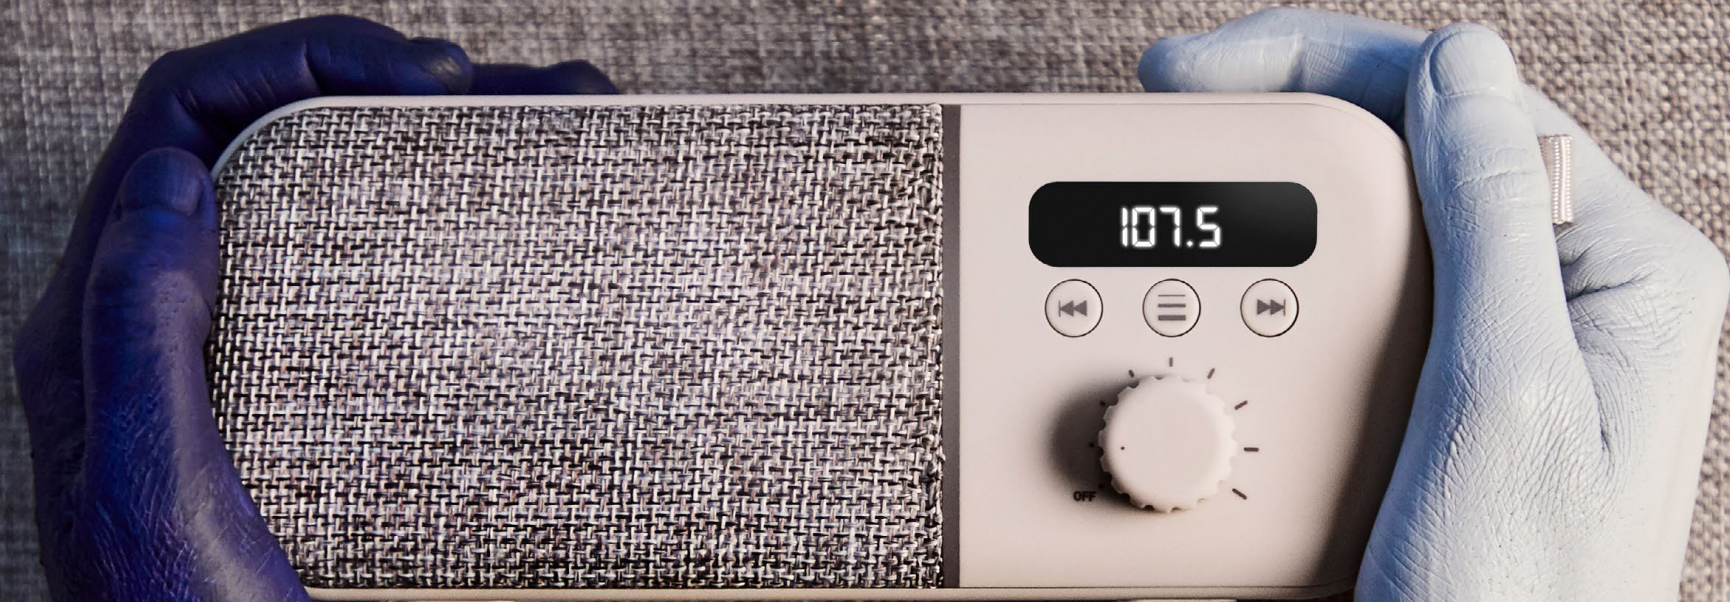

Get it your own way

Store up to 50 presets on this radio. It also features a headphones output to listen to your favourite music and shows on your own or with family and friends.

Turn the radio up

Take your music with you and enjoy all your favourite radio shows anywhere. The device includes a lithium battery with 8 hours of battery life. This way, the only thing you'll have to do is enjoy your music.

Custom designed for you

Whoever said that fun and design aren't compatible?
This compact portable radio is the perfect size so
you can put it anywhere. The curved lines and fabric
finishes create an outstanding look.
