## Feel music to the full.

Portable speaker with powerful Deep Bass. A sound experience that will make you resonate with every song! For music lovers who don't want to miss even the tiniest detail of their favourite songs.

## Resonate with every song.

The Music Box 9+ wireless speaker is designed to let you experience music at its best. 50 W of power and a visible passive radiator at the rear, to feel every vibration of the songs and boost the bass.

## Always connected.

Bluetooth® speaker to play music from your smartphone or USB stick/microSD card, or by tuning into your favourite FM station. The hands-free function lets you answer calls whenever your smartphone is connected via Bluetooth.

## Twice as much power with TWS.

Connect two Music Box 9+ with True Wireless Stereo technology to duplicate the sound from your portable speakers. Twice the fun! You can also configure them as you see fit, independently as the right, left or stereo channel. The rechargeable lithium battery means you can take your music wherever you go.
