

ENERGY♥SYSTEM

## Studio Monitor 4 Hi Fi

Adjust your film and series settings with  
the HDMI ARC connection.

# The most professional sound for your home.

ENERGY  SISTEM X DAS AUDIO

## Two brands, one passion

DAS Audio, a world leader in professional sound, and ENERGY SISTEM, a benchmark brand in personal audio products, join forces to bring a unique sound experience to your home: Studio Monitor 4 HI-FI. Films, music, series... Choose your moment and live it with maximum intensity, always with the best sound quality.

ENERGY  SISTEM  
WITH **DAS** AUDIO

# Studio Monitor 4 Hi Fi

Adjust your film and series  
settings with the HDMI ARC  
connection.

Set of two 2.0 active bookshelf speakers, DSP with  
several EQ modes, dual RCA input, Bluetooth 5.0,  
TOSLINK optical input, HDMI CEC input, side bass,  
treble and volume control, MDF casing and remote  
control.

**ARC**  
(CEC)

**OPTICAL**  
**TOSLINK**

## The sound your series deserve.

Compact 2.0 active speaker, ideal for watching your favourite series and films in great sound quality. Add a subwoofer to the extra output at the back of the speaker to turn it into a 2.1 system. It will make all the difference!

## Full control with your TV's remote control.

The HDMI ARC CEC port lets you control the Hi-Fi studio monitor with your TV remote control. The speakers will go off automatically when you turn off the TV, and the same when you turn it on. All from the comfort of your sofa! You can also use the speaker's own remote control when connecting it to a PC or stereo system.

## Pure home cinema experience.

Bookshelf speaker with TOSLINK optical input for maximum audio quality, stopping any electromagnetic noise from affecting the stream. It has three sound settings (Cinema, Music and Dialogue) so you can enjoy a more personalised home theatre experience.

# The connectivity you need.

Connect the Hi-Fi speaker to your smartphone thanks to Bluetooth 5.0 technology. Increased connectivity at a distance of up to 20 metres. Treble and bass adjustment, so you won't miss a single detail in your favourite series and films.

# Studio Monitor 2 Bluetooth

**Power and connectivity. Enjoy music and series with top sound quality.**

Set of two 2.0 active bookshelf speakers, DSP, dual RCA input to connect two devices at the same time, Bluetooth 5.0 for connections up to 20 metres away, bass and volume adjustment on the back, and MDF casing.

 **ACTIVE**  
2.0 SPEAKERS

**BLUETOOTH 5.0**

Your music,  
your way.

Studio Monitor 2 Bluetooth is an active 2.0 loudspeaker with bass and volume control on the back. Experience the intensity of your favourite songs your way! It comes with a pair of removable fabric front grills in two different colours, so your speaker will always match the style of your home.

## Wooden body, enhanced sound quality.

Hi-Fi speaker with MDF (medium-density fibreboard) casing to reduce sound distortion and minimise acoustic resonance. Its 50 W of RMS power will ensure every song resonates!

## Dual RCA input to be more connected.

Bookshelf speaker with compact design, convenient and ideal for your living room or desk. With dual RCA input for easy connection to any device, or even two at once. Forget about plugging and unplugging every time!

## Speaker with Bluetooth 5.0.

Enjoy the full sound quality of your studio monitor, as well as from your smartphone. Studio Monitor 2 includes a Bluetooth 5.0 connection to stream music from your phone or digital device up to a distance of 20 metres.
