to your music comfortably

ENERGY

NECKBAND BT TRAVEL 8 ANC

Enjoy your trips without noise and
listen to your music comfortably

Bluetooth earphones with ergonomic design that adapts to
your neck shape and Active Noise Cancelling technology to
reduce background noise. With multifunction buttons,
built-in microphone and up to 10 hours of battery life.

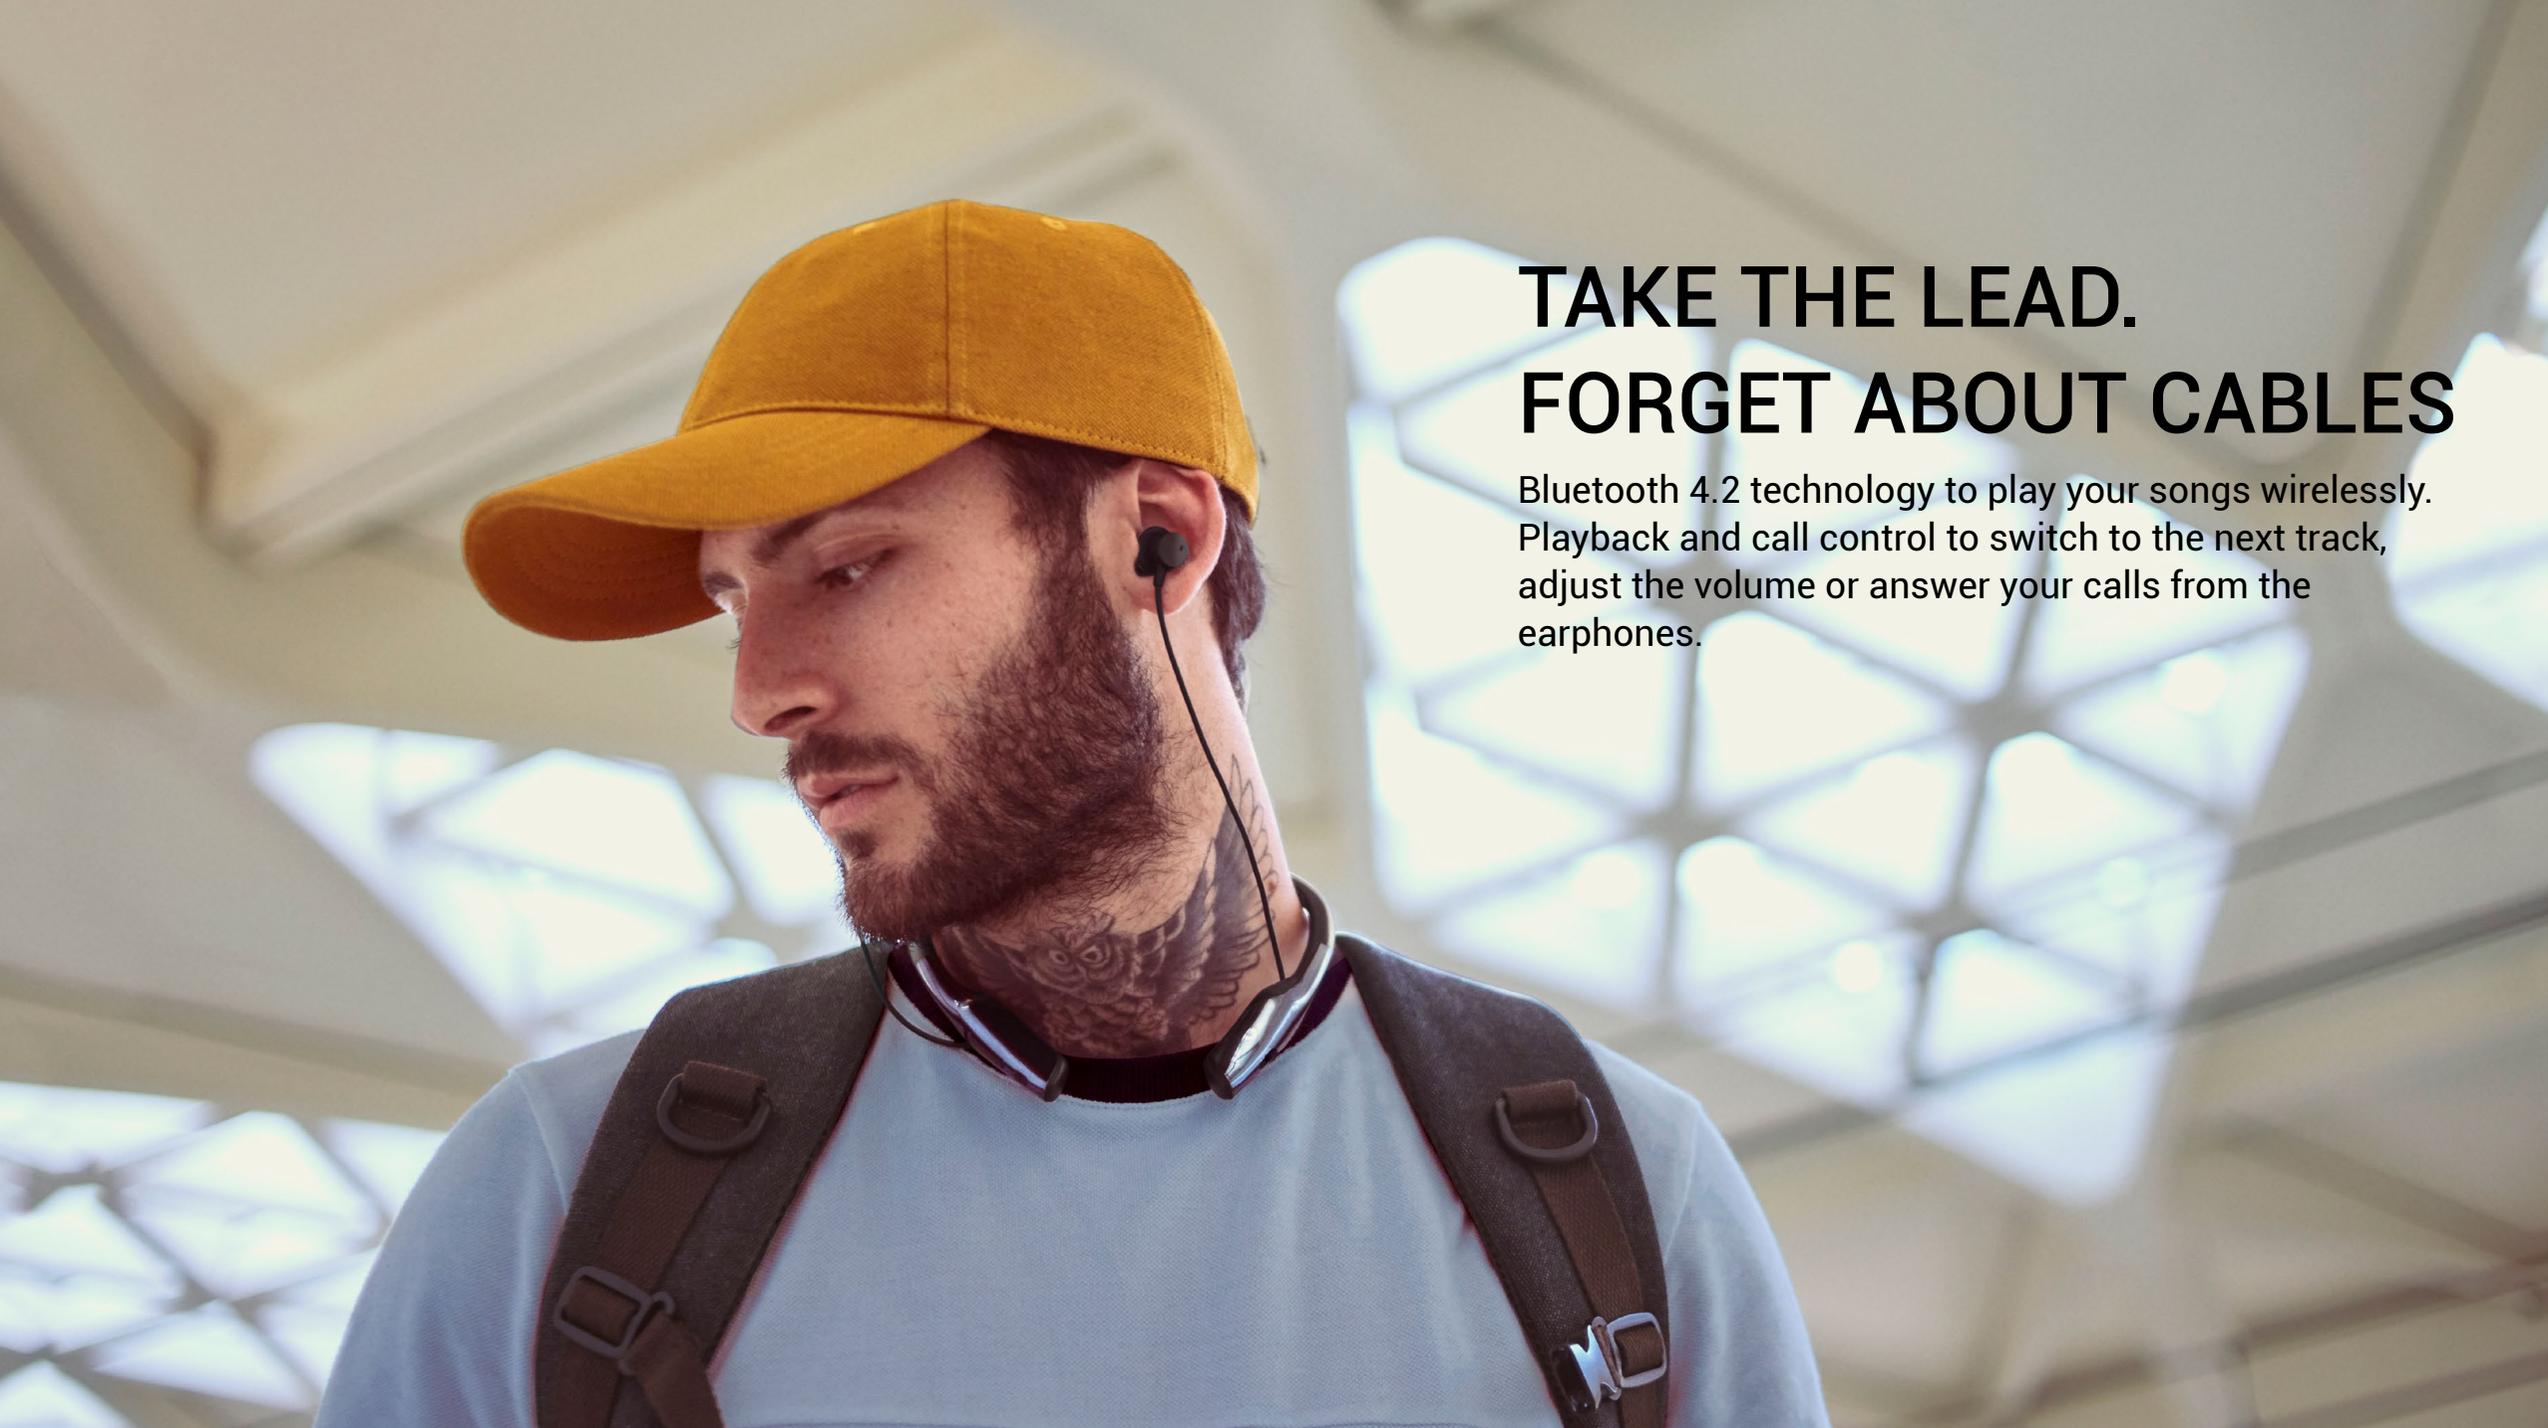

FORGET BACKGROUND NOISE. ONLY YOUR MUSIC MATTERS

Everyday situations such as construction works, a train passing by or the sound of the traffic in the city can prevent you from hearing your music clearly. Say goodbye to background noise thanks to Active Noise Cancelling technology.

CONCEIVED TO BE COMFORTABLE

Earphones with neckband design that only weigh 47 grams and provide all the comfort you need. The earphones' magnetic function prevents cables from getting tangled when you're not using them.

A man with a beard and a yellow cap is shown in profile, looking down. He is wearing earbuds and has a tattoo on his neck. The background is a bright, geometric pattern of light and shadow.

TAKE THE LEAD. FORGET ABOUT CABLES

Bluetooth 4.2 technology to play your songs wirelessly. Playback and call control to switch to the next track, adjust the volume or answer your calls from the earphones.

MORE HOURS OF MUSIC

The lithium battery gives you 10 hours of music non-stop, thus keeping up with you all day long. A carrying case is included to protect your earphones when travelling.
