PARTY 3 GO

Music and lights to take the party wherever you go

Enjoy a speaker with power, light and sound quality, perfect for all your parties. Because of its size, portability and battery, you will be able to take the party wherever you go. Includes microphone, manual equalizer and FM radio.

SHOW YOUR CREATIVE SIDE

Plug your guitar into the speaker and show all you´re capable of. You can also connect the provided microphone and enliven the party.

ENJOY THE PARTY WHEREVER YOU WANT

The compact design and built-in battery make it possible to take the party wherever you go. The speaker´s trolley size is perfect to take it along easily.

LISTEN TO YOUR MUSIC YOUR OWN WAY

Play your music via Bluetooth 4.2, USB MP3 player and FM radio to be in control of the party.

SOUND POWER WHEREVER YOU GO

40 W power, LED lights in different colours and Energy Music Power 100 button to make the most of your speaker and turn your party into a huge success.
