

ENERGY♥SYSTEM

ENERGY
**SMART
SPEAKERS**

Smart speakers featuring Amazon Alexa that make your life easier. Ask for the weather forecast or the traffic status, listen to your favourite music and much more.

ENERGY SMART SPEAKER 3 TALK

Talk to Alexa and make the most of this great speaker

This speaker features Amazon Alexa, an amazing personal assistant. Find out about the traffic, check your calendar and ask her to turn off your home's lights or start your household appliances. All this while listening to the best music.

FROM YOUR BEDROOM TO THE LIVING ROOM AND FROM THERE TO THE KITCHEN

Since this smart speaker with built-in Alexa offers 6 hours of battery life, you can take it along to any room without worrying about anything.

ALEXA: ALL YOU NEED ON A SMALL SPEAKER

Speaker with built-in Alexa. Ask her about the traffic, the weather or tell her to play your favourite music. Endless possibilities within your reach just by using your voice.

You:

Alexa, play music
Alexa, pon música

Alexa:

Playing the song "Yellow Submarine"
Reproduciendo la canción "Yellow Submarine"

Alexa, what's the weather?
Alexa, ¿Qué tiempo hace?

Today is 28 degrees
Hoy hace 28 grados

ONE MORE AT HOME

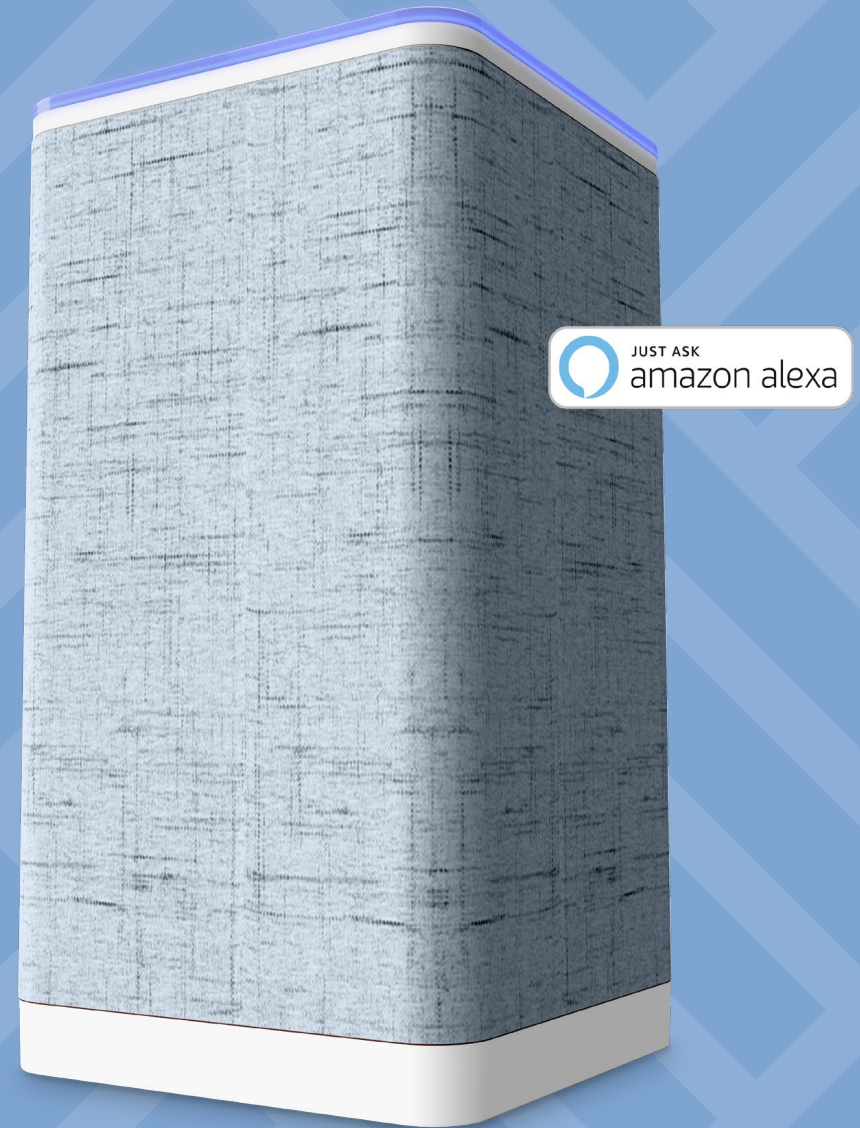

A neat design with clean lines conceived to integrate into your home perfectly.

ENERGY **SMART SPEAKER 5 HOME**

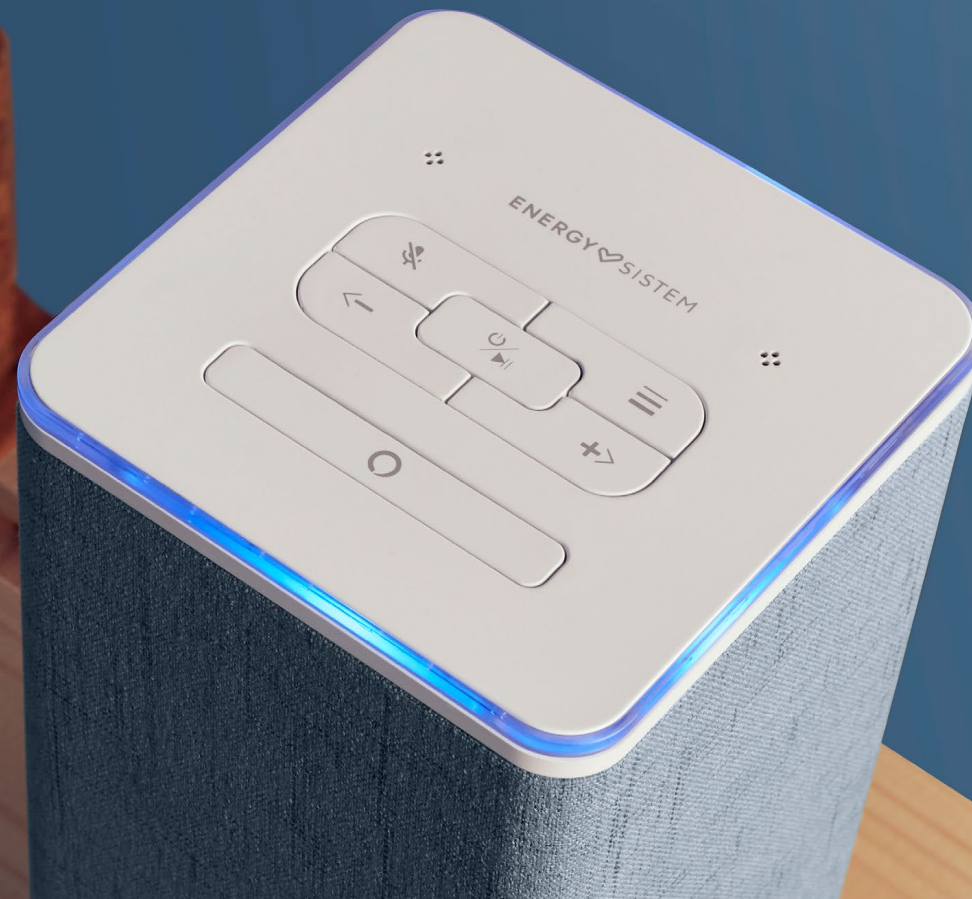

**Talk to Alexa on this powerful
Wi-Fi speaker**

Discover this amazing speaker with Amazon Alexa. Ask your assistant to play your favourite music, check your calendar or search for the weather forecast while sitting comfortably on the sofa. Whatever your question is, Alexa has the best answer.

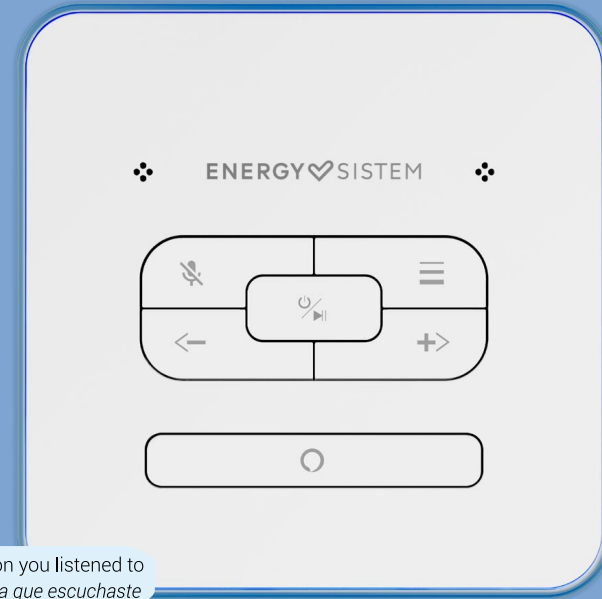

THE SOUND YOUR HOME NEEDS

Not only you can interact with Alexa but also play the music you want any time with the best sound quality thanks to its 16 watts of power.

THE SPEAKER THAT MAKES YOUR LIFE EASIER

Whatever your question is, this smart speaker with built-in Alexa has all the answers you're searching for. You just have to use your voice: ask for the weather, the traffic on the way to work or your to-do list for today.

Alexa:

Getting the last radio station you listened to
Obteniendo la última emisora que escuchaste

Alarm set for 6:00 am
Alarma establecida para las 6:00 am

100 divided by 16 equals 6,25
100 dividido entre 16 es igual a 6,25

It's 28°C with cloudy skies
Hace 28 grados con cielos nublados

I've added 'feed pets' to your to-do list
He añadido 'alimentar a los animales' en tu lista de tareas

You:

Alexa, play music
Alexa, pon música

Alexa, set an alarm for 6:00 am
Alexa, pon una alarma a las 6:00 am

Alexa, What is 100 divided by 16?
Alexa, ¿Cuánto es 100 dividido entre 16?

Alexa, what's the weather?
Alexa, ¿Qué tiempo hace?

Alexa, add 'feed pets' to my to-do list
Alexa, añade 'alimentar a los animales' en mi lista de tareas

ENERGY SMART SPEAKER 7 TOWER

Talk to Alexa on this unique
sound tower

Sound tower with Amazon Alexa to interact with the assistant without touching your smartphone. Press the Alexa button on the remote control to check your calendar or ask for the weather forecast. Enjoy 40 W power and the best sound quality.

A UNIQUE SOUND TOWER

Discover how Alexa can make your life easier. Use the remote control or the top panel to enable your assistant. Ask her for the weather forecast or your to-do list for today. Tell her to play your favourite song.

ALEXA AND MUCH MORE

A sound tower with 2.0 stereo system, 40 watts of power and built-in Alexa. All this turns this smart sound tower, which combines power and design, into the key element of your home.
